eral Energy Administration; except that after such Administration ceases to exist, such term means any officer of the United States designated by the President for purposes of this part" has been omitted in view of termination of Federal Energy Administration and transfer of its functions and functions of Administrator thereof (with certain exceptions) to Secretary of Energy pursuant to sections 301(a), 703, and 707 of Pub. L. 95-91, which are classified to sections 7151(a), 7293, and 7297 of this title and the fact that the term "Secretary" is defined for the purposes of this subchapter by par. (3) of this section. In this part, "Secretary of Energy" has been substituted for "Administrator" wherever it appears.

#### TRANSFER OF FUNCTIONS

"Secretary of Energy" substituted for "Administrator", meaning Administrator of Federal Energy Administration, in subsec. (a) pursuant to sections 301(a), 703, and 707 of Pub. L. 95–91, which are classified to sections 7151(a), 7293, and 7297 of this title and which terminated Federal Energy Administration and transferred its functions and functions of Administrator thereof (with certain exceptions) to Secretary of En-
